Web Developer

Experiences

• My portfolio you can find on my homepage arseniit.github.io

• Sep. 2018, Multitranslator, http://multitrans.myartsonline.com Single-page applications for translation into several languages at the same time, realized with VueJS, promise based HTTP request library Axios.js, Yandex translation API, Bootstrap4
• Sep. 2018, IT news, https://vuejsspa3.herokuapp.com SPA realized with VueJS, NodeJs, Webpack, Axios.js, Bulma CSS framework. Deployed the web app on Heroku.
• July. 2018, VueJS CRUD, https://vuejsphp.000webhostapp.com CRUD website realized with PHP, MySQL DB, VueJS, Axios.js.
• June. 2018, IT blog, https://arseniit.000webhostapp.com IT blog created from Photoshop .psd template and after realized with PHP, MySQL DB, JavaScript, jQuery, Ajax, Bootstrap, Sass, CSS3, HTML5
• Jan.- Mai. 2018, TopJava, https://caloriecounterjava.herokuapp.com/meals I worked like trainee, online project develops a full-featured Spring/JPA Enterprise application with authorization and role-based access using Java tools and technologies: Java 8 Stream and Time API, Maven, Spring MVC, Security, JPA (Hibernate), Postgresql, HSQLDB databases, REST (Jackson), jQuery, Bootstrap.
• Jan. 2018, https://bookcrud.herokuapp.com For participate in an internship it was introductory test task to make an CRUD application. Like Java technologies I used: SpringBoot, Hibernate, Maven. Like DB I chose MySQL. Like Web side: JSP, JSTL, JS, Bootstrap, CSS, HTML. I realized pagination with SpringData and on web page with Bootstrap.

Skills

• Strong knowledge of programming languages: Java, PHP, JavaScript
• Strong knowledge of WEB technologies: HTML5, CSS3, XML, VueJS, jQuery, Ajax, Bootstrap, Sass,
• Strong knowledge of JAVA: Core, Swing, Java8(StreamAPI, Data Time API, Lambda), Servlet, JDBC, JSP, JSTL
• Work experience with Java Frameworks and libraries: Maven, Hibernate, Spring MVC, Spring Boot, Jsoup
• Work experience with JUnit.
• Work experience with Git
• Strong knowledge of databases: MySQL, Postgresql, HSQLDB, SQLite
• Work experience with Apache Tomcat, OpenServer
• Work experience with Intellij IDEA, Eclipse, NetBeans, Visual Studio Code
• Work experience with PaaS: Heroku.
• Strong understanding of object-oriented concepts and design patterns
• Long work experience with Photoshop. Also using it for .psd templates
• Good understanding of installation, hardware and software troubleshooting

Online learning

• Building a Full-Stack App with Angular 2+ and Spring Boot, **linkedin.com/learning**, Oct. 2018
• Single-Page Application withVue.js, **pluralsight.com**, Sept. 2018
• A Video JavaScript Tutorial, **bitdegree.org**, June. 2018
• Modern JavaScript From The Beginning, **udemy.com**, June. 2018
• Agile Project Management: Scrum Step by Step with Examples, **udemy.com**, Mai. 2018
• Spring Framework And Dependency Injection For Beginners, **udemy.com**, Apr. 2018
• Java programming online course with hundreds of practical tasks and projects, **javarush.ru**, March 2016 - Feb. 2018
• Interactive Java, JS, JQuery, PHP, CSS, SQL, HTML courses, **sololearn.com**, Sept.-Dec. 2016

Education

• Web Development, Montreal College of Information technology, start in Oct. 2018 (evening classes)
• English cours, Adult Center at the Lycée de Montréal, Sept.-Dec. 2016
• Economics and French course, TCF test (C1 / C1), School of Advanced Studies in Economics, Moscow, Feb-Aug 2014
• French course, TEFAQ test (B1 / B2), CREF Foreign Language Center, Moscow, August 2013 - Jan 2014
• Automation and control, Bac+2, Moscow Technical University of Radio, Electronics and Automation Engineering (MIREA), Moscow, 2005 – 2010   I learned: how robotics mechanisms work, how to design them and how to program them (with C++, Atmel microcontrollers)
• BacPro, Accounting softwares, Moscow Technical School of Computer Science (MTIiVT), Moscow, 2002 – 2005
       I learned how to work with Accounting and Office softwares: Delfi, VB, 1C-bookkeeping, VBA, SQL, MS Access,

Profile

• Languages: English, French, Russian
• I am fast learner and I have ability to work in a team / alone, dynamic, serious, patient, conscientious.

Leisure and various

• Sports and Leisure: doing odd jobs, bike, jogging, swimming, snowboarding, reading
• Travel: Canada, France, Germany, Belgium, Sweden, Denmark
• Holder of a Permanent Resident Card of Canada
